

# Declare.

## ACTING BEYOND THE SURFACE

### THE “NUTRITION LABEL” FOR PRODUCTS

Declare helps you better understand the use of healthy product materials by showing you:

- Where Wilsonart® HPL and Compact Laminate come from
- What Wilsonart® HPL and Compact Laminate are made of
- Where Wilsonart® HPL and Compact Laminate go at the end of their lives
- Whether or not Wilsonart® HPL and Compact Laminate contain toxic ingredients

### WHY DECLARE?

Declare is the only label that combines material transparency and the Red List from the Living Building Challenge. It distills complex chemical ingredient information into an easy-to-read label that is unique to Wilsonart® HPL and Compact Laminate. Declare helps you find and specify the Red List-free products in Wilsonart solutions, which are healthy for people, the environment, and communities.

### BENEFITS

- Quickly evaluate the healthiest surface choice for your next project.
- Contribute to Living Building Challenge, LEED, and WELL projects.
- Simplify the specification process with sustainability information for the exact Wilsonart® HPL or Compact Laminate surface you need.
