

# Skirt Supports *New!*

In order to maximize the storage capacity of the skirt and pant supports # 145518106, 145524106, 145530106, additional racks and clips can now be ordered separately for greater flexibility.

You'll be able to double the storage capacity of your support and thus maximize the return on investment.

Each rack is made in anodized aluminum and is topped with soft anti-slip insert preventing pants from sliding.

The racks are adapted for the three-width supports.

Racks are sold in bags of 5 units and clips come in bags of 10.

2105106 – aluminum skirt rack
