

3641100

3642100

New: Space saving Tandem

Now with a new lid and new silver grey finish.

The new lid now cover the slides. That offers more protection against dust that could interfere in the movement of the slides. It also have hooks that can be used to hang many articles as brushes or oven mitts for example. The new silver grey bins makes them standard with all other Hailo recycling centers family with the same finish.

Further information

- Bottom mount, very easy and quick installation with only 4 screws
- Low height, makes them perfect to install in an undersink cabinet
- Large capacity even if they are compact size
- Full extension ball bearing slides, allows total access
- While opening, the lid remains inside the cabinet, offers more storage space.
- The lid cover the slides, more protection against dust, longer lasting slide efficiency
- Hooks on the lid sides, allows to hang many articles
- Hermetic cover on one 8.5L bin on the 3642100, seals odor perfectly and makes of this bin suitable as a compost bin
- All dimensions specs remains the same as the old version
