

## Hole Saws

Bosch provides more innovation in hole saws than any other brand. The Quick Change™ system provides easy cup changes between size and type in seconds, and works on power tools from all major brands. Bosch also delivers the first AutoStart™ pilot for diamond drilling, and has cups that cut more materials. From wood to hard tile, we have the right hole saw solution to get the job done.

### Hole Saw Selection Chart

	Wood	Laminate	Sheet Metal	Metal	Stainless Steel	Plastic	Fiber Glass	Cement Board	Masonry	Ceramic Tile	Porcelain Tile PE5	Stone
