

DELO is the new peninsula table that can be pulled-out from the side of the kitchen island and provides more surface space with one simple motion. The telescopic guides are attached underneath the tabletop thus concealed and allowing the table to be extended up to its maximum length (1600mm 63"). Make full use of your kitchen space. Create a snack area or a dinner table for 4 people with the DELO pull-out table. The table top is done by the customer and can be harmonized with the other countertops of the kitchen.
