Seamless

Inconspicuous waterproof seams eliminates the growth of odor-causing mold and mildew. NSF compliant for food contact.

Stain-Resistant

Non-porous material allows for low maintenance and stain resistance, so you can worry less about spills or messes and more about your creative vision. Unlike granite, no sealing is required.

Repairable

Easily repair scratches, chips, gouges or cracks to the original condition by a Certified Wilsonart Fabricator.

Eco-Friendly

Designed for indoor spaces, GREENGUARD Gold Certification gives you added assurance that Wilsonart® Solid Surface meets strict chemical emission limits.
