

Transform your cabinet in a wine cellar !

Advantages and benefits

- **Chrome metal wire wine rack** to simply hang on frames of the Comfort II series can support up to 3 bottles per rack!
- **Visibility** : The bottles sloping allows to easily see the stickers.
- **Easy installation**, you just have to hang it on the pull-out frame hooks.
- **Versatile**: you can combine the bottle wine rack with any of the Comfort II baskets in chrome metal wire or with Arena anti-slip covering for a multi purpose application.
- **Perfect access**: the racks are mounted on a full extension frame which allows an ideal access to the bottles.
- **Emotion**: Comfort II frame is equipped with a softstop device providing a smooth closing.
- Due to the width taken by the bottle, a minimum interior width of 300mm (11 7/8") is required.
- 2 supports for #607520100 or 607530100
- 3 supports for #607560100 or 607570100

N° product	Description	Width *	Depth	Height
5144140	WINE BOTTLE RACK CHROME	210mm (8 ¼ ")	470mm (18 1/2")	108mm (4 1/4")

*: always consider the extra space taken by the bottle
