

Designed To Create Stunning Interiors

Panels | Edgebanding | Custom Doors

Textured | Thermo Structured

A leader in modern texture/design, shrinking the gap between what's natural and engineered. As well, their panels have craft paper underlays and are pressed at high pressure for a finish with a comparable scratch resistance to a vertical grade high pressure laminate. This collection is stocked in **4 Abstract Patterns** and **10 Wood Grains**.

Panels 48"x108"x 18 mm

- Particle Board Core
- Both panel sides have decorative paper (TFL)
- Textured Melamine (Faces have texture)
