

Food storage container organizer 4FSCO Series

Wood pull-out system for food container storage

Application

- Kitchen base cabinets in the storage and preparation zones.
- Convenient for face frame, frameless and inset applications

Avantages

- Ideal solution for tidy food container storage which are usually all mixed up in the base cabinets. Find the right container and its respective lid at a glance.
- Mounted on bottom mount Blum concealed runners with soft-close mechanism which offers you comfort of using.
- Available for 18" and 24" wide cabinets.
- The top shelf offers adjustable chrome clip-on lid dividers.
- The bottom shelf comes with a peg board allowing to adjust the chrome dividers according to your needs.
- Convenient routed hand pull on the front for easy pull-out.
- Add the warm and rich look of wood in your kitchen with its sturdy dovetail drawer construction.

Description

Finally a real food storage container organizer solution.

It is over all this time spent at looking for the right container and for its respective lid in your base cabinet.

Not only, useful, but also elegant with its wood drawer, comfortable to use with its soft-close runners and flexible with its adjustable chrome dividers which keeps everything on place.
