

Wood components for drawer organization and deep drawer organization.

Advantages

- Countless possible combinations suitable for organization of any drawer size.
- Available in 3 trendy wood species; Walnut, Birch and Black Ash which brings the energy and the warmth of wood in your drawers.
- A complete components line that answers to all organization you need as well in a regular drawer than a deep drawer.
- Some components are cuttable to size so adapts perfectly to any drawer sizes.
- You can store knives, spices, utensils, paper dispenser, well any articles that you use on a daily basis. Get them all on a plink and at a fingertip in all time.

Walnut Finish

Birch Finish

Black Ash Finish

Wood must be the world's oldest renewable raw material. It's always been a source of energy and warmth. There are virtually no limits to the things that can be designed and made of wood. **Straightline** offers versatile handcrafted products. They are elegant, but also the ideal products for any drawer organization. The best feature of **Straightline** is that these modular and variable elements can be combined in many different ways and fit into both straight and slanted drawer boxes.

Straightline components for regular drawers

NOTE : Pictures for wood products are shown in Black Ash finish, but are also available in Birch or Walnut finishes.
