

IMPORTANT:

This document will give you several standard recommendations. All indications indicate the product width, it's up to the customer to make sure it will fit in his drawer. We indicate also 3 1/2" - 88mm more for suggested interior width so that the open space can be used effectively.

Drawers mats:

We recommend to use drawer mats for all configurations.

Suggested products: deco mat

Color	Code
Anthracite	6115212906
Light grey	6115211100
Taupe	6115202040

Can be cut to size.

Dimensions:

width 43 5/16" (1100mm)
depth 23 5/8" (600mm)

Other mats available:

4711015011
47110150100

Depth:

Pictures are shown with the extension filler in the back:

- not required depending on the interior depth of the drawer
- might have to be cut to size in the width and the depth depending on the interior dimensions of the drawer.

Available depth extension:

Code	Description	Color	Depth	Length
250528031	Depth extension	Birch	4 1/8" - 104mm	47 1/4" - 1200mm
