

Pull-Out Waste bins SOLO Dark Grey

Bottom mount SOLO pull-out waste bin for under sink cabinet with hinged door.

Application

- Under sink cabinet of 300mm (11 13/16") external width in a kitchen

Advantages

- Offered in two models : manual opening (# 3635910) or automatic opening (with a door follower) (# 3636910)
- Trendy Dark Grey finish
- Full extension slides for a total access at the opening
- 20 liters bin, huge capacity for a tiny space
- Fixed lid that remains inside the cabinet to reduce odors and offering additional storage space
- Easy to take out the bin with its ergonomic handle
- The set includes all the necessary hardware
- Easy to mount within a few minutes with only 4 screws to fix at the bottom of the cabinet
- Each set sold by unit.
