

Laundry pull-out Synchronized slides

Laundry baskets pull-out are now equipped with synchronized slides

Application

- In a base cabinet in the laundry room

Advantages

- These systems offer 2 ventilated bins of 33 liters, one blue and one white which helps sorting the clothes color.
- Each bin has handle on each side for easy handling
- The version of 600mm # **32716030** include also a 2,5L bin and another one of 12L with lid for multi-purpose usage.
- Équipped with symchronized over-travel slides which helps to take the rear bin out
- Weight capacity of 50kg (110lbs)
- Internal fix lid that gives additoinal storage space
