

FREEspace LIFT-UP SYSTEM

REFINED DESIGN
WHILE BEING
EFFICIENT AND
ROBUST

Quick installation with tool-free panel mounting

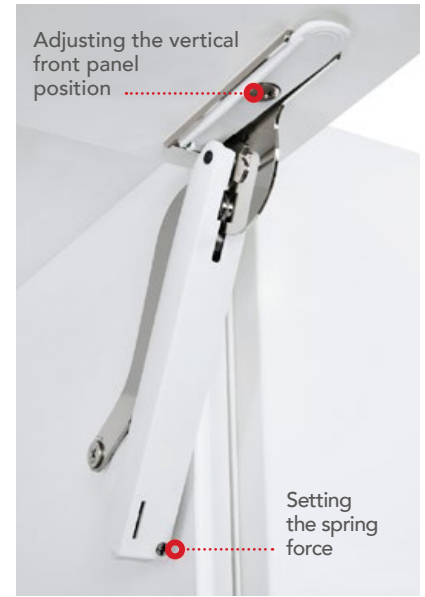

FREEspace is more than just a simple optimization, it is a true innovation in terms of technology, function, and design. Slimmer and more elaborate, yet also stronger!

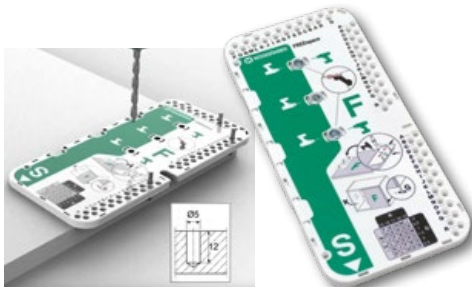

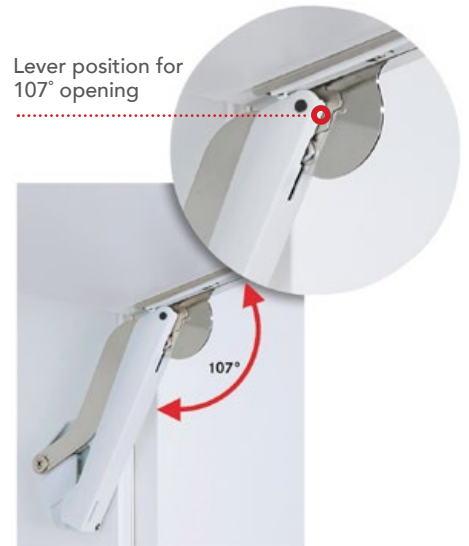

ADVANTAGES AND BENEFITS

- Tool-free assembly and dismantling of front panel
- Reduced installation time
- Small space is required inside cabinet
- Angle restrictor integrated to the mechanism
- 3 finishes available: white, light gray and dark gray

FREEspace LIFT-UP SYSTEM

The only tool you will need for the entire adjustment process is a PZ2 screwdriver

FREEspace Drilling Jig
No. 2722540

Mechanism strength	Power Factor range (PF)	White	Light gray	Dark gray
Light weight	525-895	272234930	2722347035	2722349100
Medium weight	896-1509	272235930	2722357035	2722359100
Medium weight	1510-2088	272236930	2722367035	2722369100
Medium weight	2089-3028	272237930	2722377035	2722379100
Heavy weight	3029-4250	272238930	2722387035	2722389100

Power factor calculation

$$PF = CH \text{ cabinet Height} \times (\text{door weight} + 2 \times \text{handles weight in kg})$$
