SIZE MATTERS. And when it comes to a 23 Gauge Headless Pinner, a tool that drives the finest pin nail possible, having a lightweight compact tool is even more critical to achieving the precision finish and trim work you demand. Grex has engineered the first cordless 23 gauge headless pinner that is as similar in size, weight, balance and power as a traditional pneumatic 23 gauge pinner - with NO compromise on power. Plus this is all achieved with the same award winning robust build quality that users have trusted for more than 25 years.
