APPEARANCE

Linear design across all AVENTOS lift systems

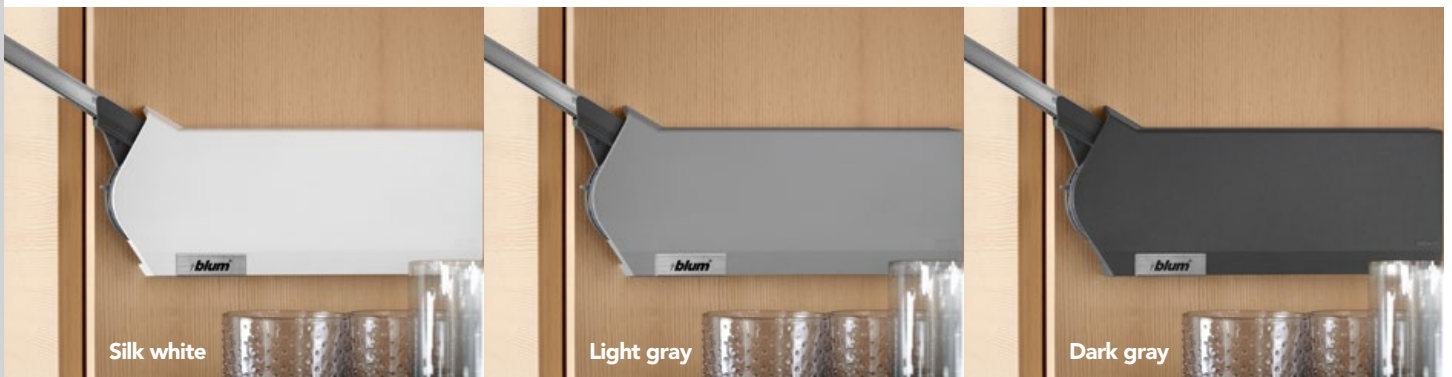

Featuring high-quality workmanship, these cover caps provide an aesthetic appearance throughout the home and are available for the entire AVENTOS lift system family.

Their linear design is a perfect visual match for AVENTOS HK top and AVENTOS HK-S, allowing a uniform design to be implemented across all lift system types or living areas. AVENTOS improves the quality of motion regardless of the lift system.

ADVANTAGES AND BENEFITS

- Straight lines, harmonious proportions and smooth surfaces
- The cover cap has an impressive, minimalistic design
- The color of the cover cap is selected to match the respective piece of furniture. Available in silk white, light gray, and dark gray in both standard and SERVO-DRIVE electric motion technology
