▶ Product Features & Benefits

Product Description

The RO 82 Sliding Door Hardware Series for straight sliding wood door weight capacities of 40 kg (88 lb), 80 kg (176 lb), and 100 kg (220 lb) each. Select from different hardware types: Basic top mount or rear surface mount suspension plates with standard stop or dual action soft close mechanism.
Tracks can be ceiling our wall mounted with brackets.
Ideal solution for residential, hospitality and commercial applications.
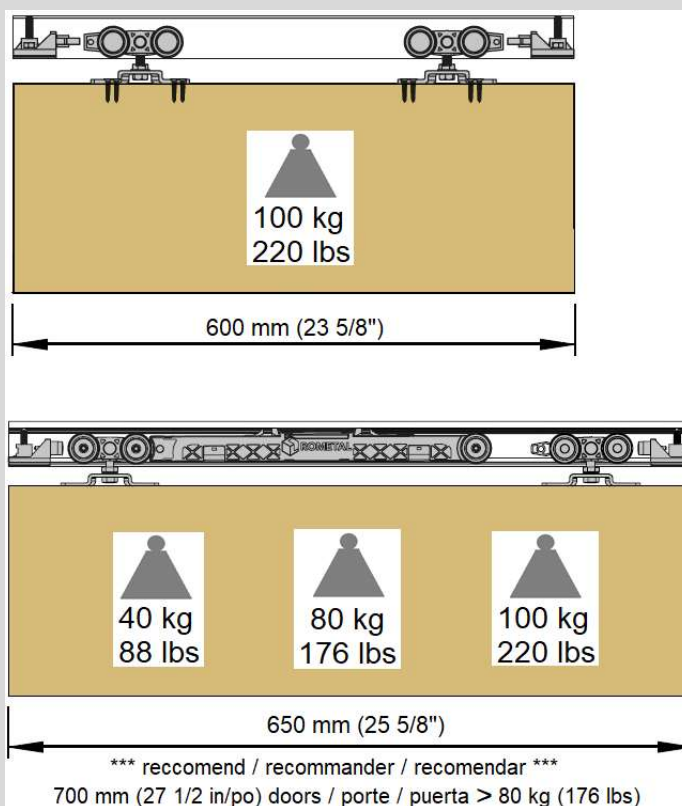

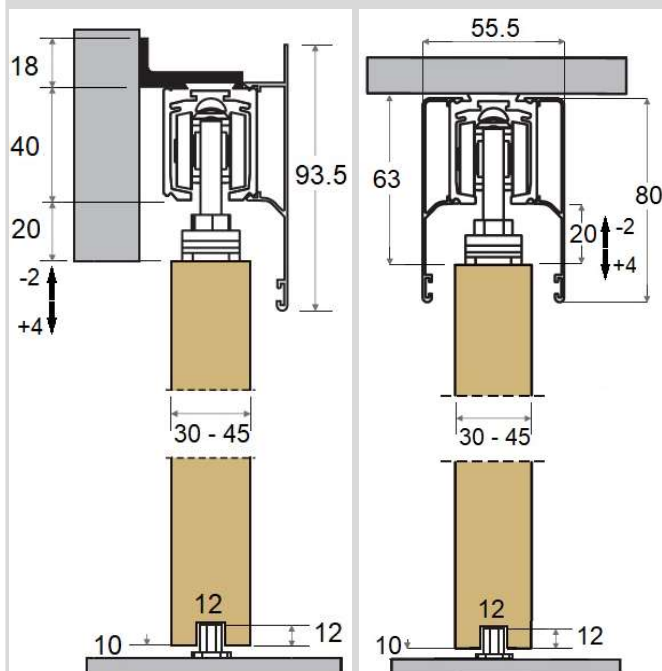

- Surface mount suspension plates

- Dual action soft close minimum door width 650 mm (25-1/2 in)

- Track for ceiling and wall mount applications

- Same track for all hardware types

- Clip-on aluminum fascia

- Tracks can be joined together with clip-on aluminum spacer profile to create double and multiple running tracks.

- Popular Accessories can be added: recessed suspension profile for low clearances; Syncro kit for 2 biparting doors and Sequanziato pick-up-follow guides for linking multiple doors
