

# Anzio Marble

5037-38

Anzio Marble is a medium-scale, directional design with subdued warm grey to taupe veining.

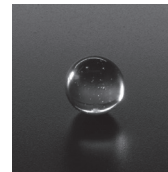

FULL SHEET VIEW

## APPLICATIONS

- Kitchen Countertops & Islands
- Backsplashes
- Bathroom Vanities
- Table Tops
- Commercial Surfaces

#38  
**FINE VELVET TEXTURE**  
A smooth-textured finish with moderate reflective value. Recommended for horizontal and vertical applications.

## PENCIL EDGE

Strong, crisp angles enhance the solid stone aesthetic with a classic look and feel. The tight full wrap edge creates the authentic look of stone. The decorative surface is wrapped around both the top and bottom, providing protection for the underside of the countertop.

\*Application Images may differ from full sheet, due to difference in lighting.  
\*Order samples for exact design reference.

# Anzio Marble

5037-38

## nature, elevated. it's in the details.

Welcome to the Wilsonart® HPL Stone Collection. Designed to be calming and peaceful, combining natural stone element patterns and imperfections with perfectly engineered performance. Its fine, irregular veins and dimensional organic detail give any room a feeling of calm and provide surfaces without worry. A true breath of fresh air. In the form of a surface.

### SHEET DIMENSIONS

Standard Sheet Widths	36" (914mm)	48" (1219mm)	60" (1524mm)
Standard Sheet Lengths	96" (2438mm)	120" (3048mm)	144" (3658mm)

### WHY WILSONART® HPL?

- Wilsonart® High Pressure Laminate (HPL) brings long-lasting style, on-trend designs, and outstanding performance to residential and commercial interiors.
- With 2X more post-consumer recycled content than other leading laminate brands, it's one of the most innovative and environmentally friendly decorative surface materials available on the market today — ideal for a wide range of vertical and horizontal applications.
- Wilsonart® HPL offers a plentiful array of finishes — from mirror sheen to matte — along with Decorative Edges to achieve customized looks.
- Texture and finish options, specialty products, and premium performance features provide exceptional flexibility to meet the functional and aesthetic needs of every project.

### DESIGN

Classic designs that fit into any project.

### DURABLE

Long-lasting performance.

### EASY TO MAINTAIN

Stain and moisture resistance makes HPL easy to clean and disinfect.

### AVAILABILITY

Nationwide stocking through Wilsonart distributors.

Contact your rep or visit [www.wilsonart.com/hpl](http://www.wilsonart.com/hpl) to learn more.

Proud to be a Texas-based company since 1956, Wilsonart is backed by nationwide distribution and a reputation for service you can count on. For more information on availability, contact your local Wilsonart distributor or fabricator.

# *Bello Romano*

5039K-15

Bello Romano is a large-scale directional granite structure with warm white, taupe, and copper-colored particulates.

FULL SHEET VIEW

## APPLICATIONS

- Kitchen Countertops & Islands
- Backsplashes
- Bathroom Vanities
- Table Tops
- Commercial Surfaces

### #15 FIELDSTONE

This matte, stone finish has a mixture of low sheen, stone-like textural attributes layered across the surface. And layered on top are fine, irregular veins and features in a higher sheen which create natural contrast and dimensional organic detail.

### PENCIL EDGE

Strong, crisp angles enhance the solid stone aesthetic with a classic look and feel. The tight full wrap edge creates the authentic look of stone. The decorative surface is wrapped around both the top and bottom, providing protection for the underside of the countertop.

\*Application Images may differ from full sheet, due to difference in lighting.  
\*Order samples for exact design reference.

# Bello Romano

5039K-15

## nature, elevated. it's in the details.

Welcome to the Wilsonart® HPL Stone Collection. Designed to be calming and peaceful, combining natural stone element patterns and imperfections with perfectly engineered performance. Its fine, irregular veins and dimensional organic detail give any room a feeling of calm and provide surfaces without worry. A true breath of fresh air. In the form of a surface.

### SHEET DIMENSIONS

Standard Sheet Widths	36" (914mm)	48" (1219mm)	60" (1524mm)
Standard Sheet Lengths	96" (2438mm)	120" (3048mm)	144" (3658mm)

### WHY WILSONART® HPL?

- Wilsonart® High Pressure Laminate (HPL) brings long-lasting style, on-trend designs, and outstanding performance to residential and commercial interiors.
- With 2X more post-consumer recycled content than other leading laminate brands, it's one of the most innovative and environmentally friendly decorative surface materials available on the market today — ideal for a wide range of vertical and horizontal applications.
- Wilsonart® HPL offers a plentiful array of finishes — from mirror sheen to matte — along with Decorative Edges to achieve customized looks.
- AEON™ Enhanced Scratch & Scuff-Resistant Performance Technology is included on our HD® and Premium laminates for enhanced durability.
- Texture and finish options, specialty products, and premium performance features provide exceptional flexibility to meet the functional and aesthetic needs of every project.
