XPERT SERIES

FULL EXTENSION BALL BEARING SLIDES

The perfect choice
for drawers of
bathroom
cabinets, closets,
and kitchens

Industrial-grade steel ball bearings offer unparalleled fluidity of movement

The latest **XPERT series** of ball bearing slides is a guaranteed new favorite! The ultra fluid movement and minimized opening force make this model of ball bearing slide every expert's top choice. The **XPERT series** is suitable for all your woodworking projects. The 100 lb (45 kg) weight capacity makes it the perfect choice for drawers in many types of furnishings including bathroom cabinets, closets, and kitchens.
