

Combine one or more SEPARADOs with a non-slip mat in a large drawer.

Description

Standard cutlery insertion, spice insertion, or a flexible insertion system with SEPARADO dividers. They will meet your needs in terms of customization, flexibility and design.

Application

- For easy storage of utensils , cutlery and spices in the kitchen.

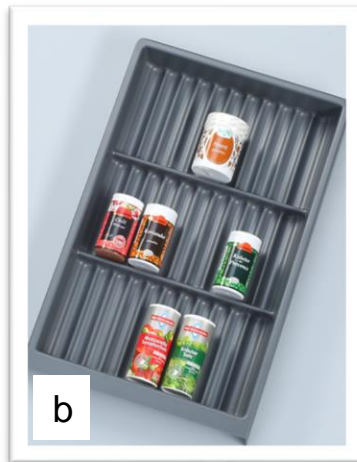

Advantages

- Simple and versatile.
- Designed for 500 or 550mm (NL metal drawers)
- Can also be re-trimmed for varying wood drawer depths.
- Comes with finished side walls, these dividers will work in all drawer widths from 12" and above.
- Easy-care finish.
- Comes in a trendy Dark grey textured finish.
- Ideal for storage or preparation areas.
- The Multi-Purpose tray can be merged with an optional Knife, Spice or Divider insert for added versatility.
