

SOCKET POP UP ROUND

An ultra-compact
built-in power
strip socket

Designed to take up the minimum of space on your worktop

A simple press is all it takes to deploy it, and once stored, it almost disappears into its platform.

Socket is available in 3 models, to suit all your needs:

- Standard model with 4 AC plugs
- Model with 4 AC plugs, 2 USB-A and 1 USB-C
- 4 AC plugs and wireless charger model

ADVANTAGES AND BENEFIT

- Quick access to power
- Contemporary and functional design
- Easy to install
- 70" (1.8 m) power cord that plugs into a 120V power outlet included
