

Modular drawer organization system.

Application

- Cuisio Flex is the ideal solution for organizing your deep drawers in the kitchen or bathroom.

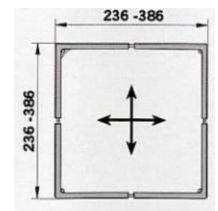

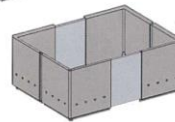

Avantages

- Suitable for deep drawers with interior height of 128 mm (5") or more
- Adjustable in length and width from 9 1/4" to 15 1/4" (in increments of 1")
- With one set, you can cover several configurations
- Elegant dark-grey finish to match many drawer interiors: Opaque corners and translucent center sections
- Non-slip feet under each divider for maximum stability
- Suitable for organizing pots, pans, dishes and other items
- Sold as a set of 2: easy to order, ready to use, no assembly required

Description

Cuisio Flex consists of a set of inserts (square format) for deep drawers. These inserts can be extended in length and/or in width to create customized sizes. This gives you all the flexibility you need to personalize the organization of your drawers as you wish. No space is wasted with Cuisio Flex; your interior space is exploited to the fullest.
