

Modular recycling center for LEGRABOX drawer of Blum that allows to personalise the waste management according to your needs.

Advantages

- The basic in this system stands in a frame that sits on a LEGRABOX drawer of Blum of 550mm depth and a height "C" (sold separately)
- Systems offered for 450mm and 600mm external width cabinet having 16mm or 19mm side gables.
- Once the frame installed, you just have to choose the bins for your needs.
- An internal fixed lid (sold separately) allows to reduce odors and offer additional storage space.
- Choice of 35L and 42L bins.
- Each bin have handles to help to handle and take the bins out and hold the bags in place once folded.
- Individual bin lid available separately which fits on both 35 and 42 liters bins.
- Compost bin also available separately which can be put inside the bin and then offering a 2 or 3 bins system.
- Trendy Orion grey color.
