

Bottom mount waste management system offering 2 frames width options for single or double bin applications with high weight capacity. Door mounted; it can also be equipped with an optional “Push To Open” device.

### Advantages

- Suitable for face frame or frameless cabinets
- Easy mounting on the bottom of the cabinet and to the cabinet door.
- The door mounting brackets offer finetuning adjustments in all directions.
- Comes equipped with full extension undermount slides and a soft closing device.
- Can also be equipped with a “push to open” device which opens the system with a little push on the door, practical when you have your hands full. No electricity required!
- Sturdy yet elegant side railing that keeps bins in place during opening and closing.
- Load capacity of 100 lbs..
- Available in chrome, silver grey or champagne finish.
- 2 frames widths available for single or double bins.
- Bin options: 28 qt, 36 qt and 52 qt
- Option lids available in matching colors for the 35Qt and 52Qt bins only.
- The smaller frame offers an extra storage shelf at the back, when using a single 36 or 52 Qt bin. Ideal to store cleaning products. When using two 28 Qt bins, the rear shelf must be removed.

2 frames widths available for single or double bin applications. Available in Grey, Chrome or Champagne finish

Bins are available in White, Silver Grey or Champagne finish and in 52 Qt, 36 Qt or 28 Qt capacities.

**Note:** The 28 Qt (26,5L) bins can only be used as a set/2 with the narrow frame. The frame’s rear shelf must also be removed

Lids available in White, Silver Grey or Champagne finish. Fit on both 36 Qt and 52 Qt bins only

### For a complete set, order :

- 1 frame (Wide or narrow version)
- 1 or 2 bins
- 1 lid (for use with 36Qt or 52Qt bins only)
- 1 PTO system (Optional Push to Open device)

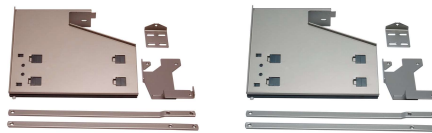

**Narrow Frame:**  
for 1 x 36Qt or  
1X 52Qt or  
2 x 28 Qt Bins.

**Wide Frame:**  
for 2 x 36Qt or  
2X 52Qt Bins

### FRAMES

Model	Silver Grey	Chrome	Champagne	Min. opening Width	Min. interior Depth	Min. opening Height
Narrow	61010100	61010140	61010155	FF : 11 1/2" (292mm) FL : 12 1/2" (318mm)	22 3/8" (568mm)	Bin height + Lid Height + 1 1/2" (38mm)
Wide	61020100	61020140	61020155	FF : 14 1/2" (368mm) FL : 15 1/2" (394mm)	22 3/8" (568mm)	Bin height + Lid Height + 1 1/2" (38mm)

**PTO Automatic hand free opening system.** A light pressure on the door activates the automatic opening.

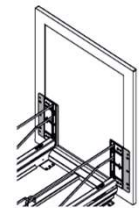

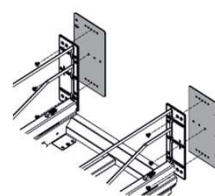

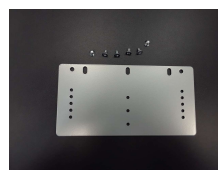

### BINS, LIDS and PTO system

Description	Silver Grey	White	Champagne	Prod. Width	Product Depth	Product Height
Bin 36 Qt	51012100	5102030	51012155	14"(356mm)	11" (279mm)	18" (457mm)
Bin 52 Qt	51052100	5105230	51052155	14"(356mm)	11" (279mm)	23" (584mm)
Bin 28 Qt	51025100	5102530	51025155	10 5/8" (270mm)	10 5/8" (270mm)	17 3/4" (451mm)
Lid *	51152100	51152030	51152155	14 1/2"(368mm)	11" (279mm)	1" (25mm)
PTO system	61015000	n/a	61015155			

\* Lids will only fit the 36 Qt and 52 Qt bins and recommended for the front bin only when used in a 2-bin configuration

### Bracket for wide door

Particularly suitable for doors over 21" (533mm) wide and for framed doors (shaker)  
**Packed individually, Must order 2.**

No.	Description	Prod. Width	Product Thickness	Product Height
