

Silver Grey

Dark Grey

Euro Cargo II models # 846146100 and 8461463910 are conceived for cabinet width of 600mm or 24". Equipped with ball bearings over-travel slides, these heavy duty systems are also equipped with a soft-close mechanism.

Advantages

- Offered in silver grey or dark grey finishes.
- Includes 2 bins of 42L.
- Heavy-duty ball bearing and over-travel slides system allows a total access to the bins.
- Tested with 75kg (165 lbs) of weight on 50 000 cycles and 50KG (110 lbs) on 100 000 cycles, so a trouble free system.
- The soft-close mechanism assure you of a silent and smooth closing.
- Integrated metal lid that can be also used as an extra storage shelf.
- The included door brackets allows adjustment in all directions.
- Suitable for cabinets with 16mm or 19mm side gables.
