ALL PRICES ARE LIST - F.O.B FACTORY • ALL PRICES SUBJECT TO CHANGE WITHOUT NOTICE

OPENING AN ACCOUNT

All new accounts will be set up on a cash-in-advance basis until such time that the Credit Dept. has been able to establish open account terms. Minimum opening order to establish a new account is \$500.00 net. No account will be permitted open account status unless they can be opened for at least a \$1,000.00 credit limit. Payment terms are Net 30 Days.

ORDERING

Once an account has been established, subsequent minimum order is \$100.00 net. A charge of \$25.00 or the amount necessary to reach \$100.00 (whichever is less), will be added to the invoice.

Dealer Online Representation: Pre-authorized web based representation of the John Boos & Co. product line must adhere to written contractual agreement and minimum advertised pricing (MAP).

F.O.B FACTORY

All John Boos products are shipped F.O.B. Effingham, IL 62401. Whenever possible, orders may be consolidated for freight savings by contacting the factory or your representative.

CAUTION: FREIGHT CLAIMS

Before accepting any shipment, examine it carefully and note any damage or shortage on the Freight Bill before signing for delivery. All claims for shortage or damage must be filed with the carrier. Title passes from John Boos & Co. to the purchaser at point of origin of shipment. If, after receipt of shipment, concealed damage is discovered, immediately notify the delivering carrier requesting immediate inspection. The inspection report should be used to support your claims against the carrier. John Boos will not file claims with 3rd party carriers.

RETURN SHIPMENTS

We will not accept any returned merchandise unless written authorization has been issued. Any claims for defective materials or workmanship should be mailed to the factory.

UNUSED merchandise in A-1 condition - there is a 25% or greater restocking charge for AUTHORIZED returns. John Boos reserves the right to deny returned merchandise.

CONFIRMATIONS & ACKNOWLEDGMENTS

We request that all orders be faxed or emailed to John Boos & Co., Fax 800-433-2667, Email purchaseorders@johnboos.com.

We acknowledge all orders in writing and this acknowledgment constitutes our agreement, as the company will not be held responsible for errors due to misunderstandings on verbal orders or verbal agreements with our Sales Representatives.

CANCELLATION POLICY

Any special orders that have been entered into production cannot be canceled without paying all costs incurred by our company in the preparation of special plans, materials purchased or produced. No changes can be made once a "special order" has been entered into production. Any costs incurred therein will be the responsibility of the customer. Purchase orders may be changed up to 14 days before the scheduled shipping date without penalty, if production has not commenced.

Absolutely no order changes or cancellations will be accepted within 14 days of the originally scheduled ship date.

DROP SHIPPING

John Boos & Co. will drop ship to the contiguous 48 states (PO BOX not accepted), as well as a residential address (Residential drop ship fee of \$10.00 applies). Freight charges may be prepaid and added to your invoice if specified on shipments for locations other than the billing address. Note: For residential delivery, liftgate service, notification of delivery, and other special requirements, additional charges may apply.

WARRANTY

The only warranty, expressed or implied, is a 1-year guarantee against defect in workmanship and material.

This warranty does not apply to damages which may result from neglect, accidental or intentional damage, damage or wear to any swivel mechanism, normal wear and tear, misuse of product, unauthorized repair, exposure to extremes in temperature and humidity, and alteration or abuse of the product. Wood products ordered 'unfinished' do not come with a warranty.

Repairs or replacement under this limited warranty will be made through an authorized John Boos & Co. distributor, if possible, the same dealer/distributor from which the product was purchased. Should the dealer or factory representative find return of the product to the factory necessary, all packing and shipping costs will be the responsibility of the customer. If a dealer/distributor is not available, contact the Customer Service Department at John Boos & Co., 3601 S. Banker St., Effingham, IL 62401, Ph (888) 431-2667 for the name and location of the nearest authorized distributor.

Factory obligation under this warranty, is limited, at the option of John Boos & Co. to repair or replace the product (or one of equal type and quality if the product is no longer available), within 90 days after receipt of written recommendation from the dealer, provided none of the above exceptions are evident.

John Boos & Co. shall not be liable for any loss or damage arising from use, or for consequential damages. This warranty gives certain legal rights and there may be other rights that vary from state to state.

HISTORY

John Boos & Co., based in Effingham, IL, is one of the oldest manufacturers of premium quality butcher blocks in the U.S.A. John Boos & Co. has been in business continuously since 1887. It was in his Effingham, IL blacksmith shop that founder Conrad Boos first invented what would become the original Boos Block®. Having harvested sycamore from local wooded areas and processing it in his sawmill, Conrad brought it to his blacksmith shop for finishing. That first block of sycamore was placed on three legs to absorb the shock of the blacksmith's hammer against the anvil.

It was the local butcher, who having seen and admired Conrad's block, became impassioned about owning a block for his meat market. Unknowingly, Conrad's son, John, who made and sold that first block to the butcher, took John Boos & Co. into the infancy of serving customers since 1887.

JOHN BOOS & CO. WOOD MANUFACTURING FACILITY
EFFINGHAM, IL

CONRAD BOOS

Beginning in the mid 1960's, John Boos & Co. made its first stainless steel table and quickly expanded its stainless steel fabricated table business to accommodate changing market requirements. The company's stainless steel business continues to grow and now includes an entire range of stainless steel products including custom fabrication. The company combines the art of stainless steel fabrication and woodworking to create a blend of quality kitchen carts, furniture, worktables and much more. John Boos & Co. continues to be the only company in the U.S.A. having both stainless steel and wood manufacturing facilities on location, and is well recognized as a leading manufacturer of quality products.

In 2017, John Boos & Co. marked the completion of the company's multi year relocation of its corporate and manufacturing facilities from the central Effingham area to the present South Banker Street location. With the completion of the 116,000 square foot, state of the art, wood manufacturing facility, John Boos & Co. will be positioned to continue to provide the best products and service in the markets it serves while allowing for additional new product development, which will continue to stimulate growth.

PRIDE & CRAFTSMANSHIP

There is no doubt that John Boos craftsmen love and know wood and stainless steel. We are experts in crafting top quality products of beauty, durability and function. Our pride in craftsmanship represents John Boos & Co.'s commitment to detail and is proudly displayed as the final touch to many of our heirloom quality products. Pride and Craftsmanship are the key ingredients in everything we do.

We take pride in sourcing our hardwood lumber from NHLA affiliated lumber mills in the United States.

Illinois, Indiana, Michigan, Tennessee, Ohio, Pennsylvania, and New York

MADE IN THE USA

OUR COMMITMENT TO ENVIRONMENTAL SAFETY

John Boos & Co. is firmly committed to the responsible management of environmental matters. As part of our standard business practice, John Boos & Co. maintains a high standard in meeting today's manufacturing needs without compromising the environment for future generations.

For over 50 years, John Boos & Co. has been a member of NHLA and maintains a current NHLA Sustainability Certificate (National Hardwood Lumber Association). As an NHLA Member, the company is committed to sustainable forestry practices. We embrace the certificate's statements of sustainability in the harvest and manufacture of all hardwood products. This includes the purchase of lumber from NHLA affiliated lumber mills that share the same values for sustainable forestry practices.

CARE & MAINTENANCE

HOW TO CARE FOR YOUR BOOS BLOCK®

Proper care and maintenance will keep your wood surfaces beautiful for a lifetime. The application of Boos Block® Mystery Oil is recommended at least once a month. The more often it is cleaned, the more often it should be oiled. A dry appearance is a sure sign it is time to oil your wood surface. Thoroughly coat the surface and allow the oil to penetrate overnight. Wipe off any excess oil in the morning.

As wood products will naturally acclimate to their environment, regular application of Boos Block® Mystery Oil will help protect your wood surfaces from changes in humidity due to weather. You should pay careful attention during the changing of the seasons as humidity levels can change rapidly.

For additional protection, Boos Block® Board Cream should be applied as a secondary moisture barrier in between oil applications. Simply apply and even coat and wipe off the excess for maximum protection.

BOOS BLOCK® BOARD CREAM

This all natural formula penetrates deeply into the grains of the wood, leaves a silky wax barrier and locks moisture in. Used every 3-4 weeks, Boos Block Board Cream will replenish the moisture lost from repeated washings, keeping your butcher blocks, cutting boards and utensils from drying, bleaching and cracking. Boos Block Board Cream is a special combination of natural unbleached beeswax and food grade mineral oil. Recommend use with Boos Mystery Oil.

KITCHEN COUNTERTOPS

KITCHEN COUNTERTOPS - BUYERS GUIDE INFORMATION

NORTHERN HARD ROCK MAPLE

Northern Hard Rock Maple is the strongest and most dense of all species of maple. Used primarily for furniture and flooring, Northern Hard Rock Maple makes a great, affordable kitchen countertop. (PG. 32-35)

AMERICAN CHERRY

The highly sought after American Cherry has unique grain patterns and a reddish brown color. Used in high end furniture and cabinetry worldwide, American Cherry makes for a beautiful kitchen surface. (PG. 36-39)

AMERICAN BLACK WALNUT

Prized for its dark tones and tough structure, American Black Walnut is a sought after surface for countertops. The white sapwood intertwined with the chocolate/light brown heartwood gives this species a beautiful contrast. (PG. 40-43)

APPALACHIAN RED OAK

A traditional choice, Appalachian Red Oak has similar heartwood and sapwood colors, with sapwood slightly lighter. Appalachian Red oak is dense and has a high shock resistance making it a great countertop. (PG. 44-45)

STAINLESS STEEL

For a more modern kitchen, Boos® Commercial Grade Stainless Steel Countertops feature a heavy duty, 16 gauge stainless steel fabrication with #4 polish. Built to withstand heavy residential/commercial use, Boos countertops are constructed with 1-3/8" thick particle board backing. (PG. 46-47)

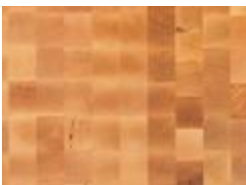

ULTRA PREMIUM EDGE GRAIN

Built on a history of over 130 years of American craftsmanship, Boos® butcher block surfaces fill your kitchen with timeless tradition in countertop appearance while maintaining a natural food safe element for food preparation. Ultra premium countertops are manufactured with full length continuous rails from our choice selections of American hardwoods.

BLENDED EDGE GRAIN

Boos® Blended kitchen countertop surfaces offer harmonious character & provides naturally defined individuality. Blended tops consist of full length exterior rails and random finger-jointed interior rails. Crafted of North American hardwoods, the rails in a blended top feature different parts of a tree, (a blend of heartwood & sapwood) hence the color variations. Natural mineral streaks and unique wood grain patterns also add to its unique appeal.

PREMIUM END GRAIN

Easy on the eye, easy on the knife. Boos® Premium End Grain Island Tops are meant to be used as a stand -alone piece. This unique island top offering reveals the best of the natural elements in hardwood grain which makes it the perfect focal point of your kitchen design. Due to the unique patterns of the End Grain blocks, no two tops are the same. BBITs ship standard with contrasting walnut plug facades, 1/4" radius tops edges and corner. Boos Block® brand stamped onto the side.

TWO UNIQUE FINISHES - PERFECT FOR YOUR APPLICATION

Certainly the ultimate kitchen will have natural butcher block countertops throughout. However, any design and decor can be enhanced by the addition of this gorgeous, yet useful surface. Many home chefs appreciate a built-in cutting surface next to their cook top. A small section is also often used over the built-in dishwasher. A butcher block island under a hanging pot rack makes a perfect prep area, or you may want to add the warmth and beauty of butcher block as a raised breakfast bar with stools.

NATURAL OIL FINISH

If you wish to use your butcher block top as a cutting surface, this is the factory finish to choose. Just like on cutting boards and butcher blocks, the natural wood surface is protected by oil, which is actually absorbed into the fibers. We advise to periodically re-oil your butcher block tops to preserve their beauty and durability (PG. 6). If, after heavy usage, you wish to remove cut marks, simply sand the surface and re-oil. It will look like new.

Refinishing: Can be sanded with fine sandpaper, sanding with the grain and re-oiled with Boos Mystery Oil. Note: Oiled tops need to be oiled every 3-4 weeks. Northern Hard Rock Maple turns white when dry. Oiled tops can be refinished with EZ-DO at any time through the life of the top. EZ-DO converts your wood top into a piece of furniture and should not be cut on. Wood must be clean, dry, well sanded, free of dust and excess oil prior to application of EZ-DO (PG. 7).

VARNIQUE FINISH

This beautiful semi-gloss polyurethane finish is virtually maintenance free. It is impervious to most household chemicals. Cleans easily with mild soap and water. The fine furniture look makes it the choice for kitchen island bars and eating counters. Cuts in the finish should be resealed immediately to prevent the exposed wood from absorbing moisture. Refinish with EZ-DO Poly Gel (PG. 7).

Refinishing: Can be spot sanded, if needed, or repair and refinish with EZ-DO wipe on poly gel (PG. 7)

IMPORTANT INFORMATION

Cutting a butcher block top exposes unprotected hardwood. This needs to be refinished immediately. Failure to do so could lead to cracking of the top. Once you have made a cutout in the top, you should coat the exposed area by applying Boos® Mystery Oil or EZ-DO depending on the finish you have.

John Boos & Co. butcher block countertops are manufactured to exacting standards under constant quality control inspections.

Changes in atmospheric conditions can affect natural wood products. Extreme changes in humidity may cause the product to warp. These are not defects in the product or its manufacture and are beyond our control. Proper installation and care are the best methods to keeping your butcher block top in prime condition.

Overhang of 8" or more on width or 12" or more on length must be stabilized with support. There is a +/- 1/8" tolerance for the length, width & thickness on all tops.

FOR JOHN BOOS & CO. PRODUCTS, PLEASE VISIT OUR WEBPAGE, JOHNBOOS.COM TO LOCATE AUTHORIZED DEALERS AND DISTRIBUTORS IN YOUR AREA.

KITCHEN COUNTERTOPS

BLENDED MAPLE COUNTERTOPS

Northern Hard Rock Maple is the strongest and most dense of all species of maple. Blended countertops are manufactured with a blend of heartwood & sapwood, hence the color variations, giving it a unique appeal.

KITCHEN COUNTERTOPS

BLENDED CHERRY COUNTERTOPS

The highly sought after American Cherry has unique grain patterns and a reddish brown color. Blended countertops are manufactured with a blend of heartwood & sapwood, hence the color variations, giving it a unique appeal.

KITCHEN COUNTERTOPS

ULTRA PREMIUM WALNUT COUNTERTOPS

Prized for its dark tones and tough structure, American Black Walnut makes for a top-of-the-line surface. Ultra premium countertops are manufactured with full length continuous rails. **For lengths over 97", Walnut KCTs come standard with KCT style finger joints (max. 2-3 joints per interior rail.)**

KITCHEN COUNTERTOPS

BLENDED WALNUT COUNTERTOPS

Prized for its dark tones and tough structure, American Black Walnut makes for a top-of-the-line cutting area. Blended countertops are manufactured with a blend of heartwood & sapwood, hence the color variations, giving it a unique appeal.

BLENDED OAK COUNTERTOPS

A traditional choice, Appalachian Red Oak has similar heartwood and sapwood colors, with sapwood slightly lighter. Blended countertops are manufactured with a blend of heartwood & sapwood, hence the color variations, giving it a unique appeal.
