

Decorative Laminates

Copper | Aluminum | Stainless Steel | Black and White | Re-Y-Stone

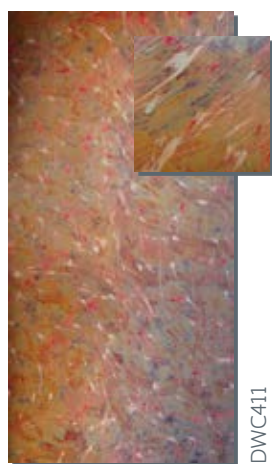

For all vertical, interior surfaces: shop interiors, furniture units, columns, displays, wall panels, doors, exhibition booths, elevators and more.

These high-pressure laminate panels with genuine aluminum, copper or stainless steel surfaces create a modern look in any room. Decorative metal surfaces are either anodized or lacquer-coated for permanent protection against corrosion and oxidation.

Re-Y-Stone

Green Metal

This new revolutionary panel is an excellent environmental alternative to high-pressure laminates. Manufactured with mostly reused and recycled natural material from renewable sources, the product is also completely recyclable.
