

Brillanté

Lacquered Panels
HIGH GLOSS

Brillanté

The **Brillanté Collection** revitalizes the MDF panel, offering you components designed to create stunning interiors.

With a **high-gloss** lacquer finish, **Brillanté Collection** panels offered in 18mm thicknesses are the ideal solution for creating decorative walls, architectural elements, kitchen cabinetry, closet organizers, home offices and so much more.

ADVANTAGES

- Coated with a high-gloss lacquer and dried using UV technology
- 90% gloss level
- Excellent heat and scratch resistance
- UV and discoloration resistance
- Available with identical color (ABS Solid Color) or two-tone (Acrylic 3D 2-Tone) edgebanding
- Ideal for vertical applications

The **Brillanté Collection** presents perfectly smooth panels using state-of-the-art manufacturing technology, resulting in a gloss level of over 90%, and exceeding current industry standards.

Both sides of the **MDF core** are covered with decorative paper and laminated. A high-gloss finish is then applied to the exterior side of the panel, and a matte finish to the interior side. Finally, the panel is covered with a removable protective film.

Edgebanding also available

You can choose from different types of edgebanding to match your panels.

ABS Solid Color, 1 mm thick

Acrylic 3D 2-Tone, 1 mm thick
