Textured Veneer Sheets with matte finish

Richelieu

**IDEAL FOR  
COMMERCIAL  
AND RESIDENTIAL  
APPLICATIONS**

The textured veneer sheets are real wood veneer specifically selected and assembled to give a unique look. Pressed on a rigid backing for impressive effects and different textures.

A high-quality finish is applied to the veneer sheets under highly-controlled conditions for constant results. With this finishing technique, it is possible to use it as a base coat and re-lacquer the sheets.

## Natural species

offered in 3 different textures

**Oak saw cut**  
Raw saw effect with its irregularities

**Limed oak**  
Weathered color and effect  
of authentic old wood

**Deep sandblast**  
Pore effect with a deep texture

## Textured Veneer

# Advantages

- Recreates the natural appearance and texture of real wood
- All veneer sheets are laminated and have a matte finish
- Modernizes the rustic look of weathered wood
- Fast and easy installation
- Easy to clean with a cloth
- No finishing required in vertical applications
- A water-based protection layer is suggested in horizontal applications or if frequent cleaning is required
