PANELS WITH TEXTURED SURFACES

Modern Structures | Patterns | Natural

**Richelieu**

Our **Synchron** panel collection offers many opportunities for woodworking professionals to carry out any type of project. This offering is a collection of modern structures and designs which give the panels a highly decorative and extraordinarily natural look.

The panels of our structured **Synchron** collection are offered in a wide variety of colors. These products include a selection of wood grain finishes with intense and attractive colors.

**The panels are made with:**

18 mm (23/32") thick particleboard panel

**Panel dimensions:**

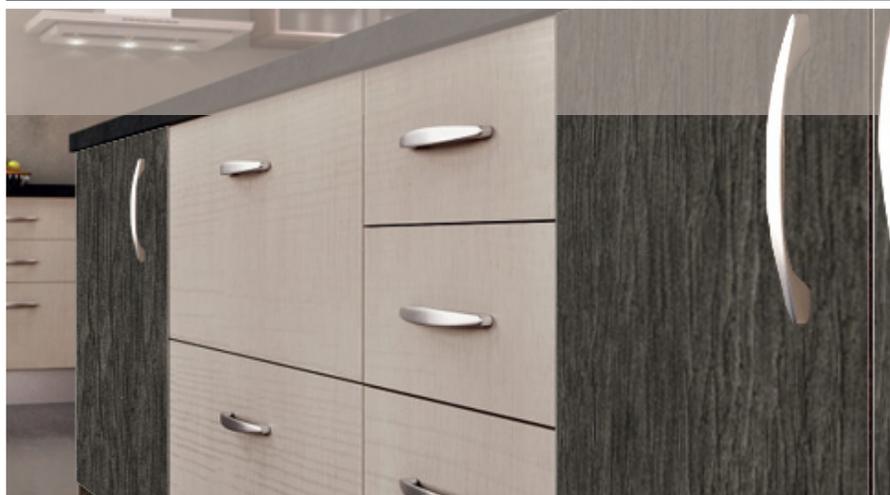

48" x 108" (122 x 274 cm)

### ADVANTAGES

- Matching edgebanding, structured finish
- Both sides of the panel are the same color
- High stain and abrasion resistance
- High thermal resistance
- Easy maintenance

This panel line allows you to create modern and elegant combinations for kitchens, bathrooms, closet organizers and interior designs.

**Textured** panels that stimulate the natural **look** and **feel** of wood grain while maintaining a **high visual** impact.
