EXPLORE THE POSSIBILITIES OF SOLID SURFACES

Driven by the desire to make products that enhance life's journey. The surfaces are crafted from a unique blend of acrylic resins and natural materials, allowing the material to be cut, shaped and formed to fit a range of designs. Hanex Solid Surfaces is ideal for both commercial and residential applications.

Hanex is easy to care for. The surface is non-porous and NSF Certified. With periodic maintenance – just a quick wipe down with a damp cloth– Hanex Solid Surfaces maintains its original beauty for years.

THE WIDE VARIETY OF COLORS AND PATTERNS PROVIDE THE CHARACTERISTICS THAT MAKE IT THE PERFECT CHOICE!

PARTICULATES COLORS

The wide variety of colors and patterns provide the characteristics that make it the perfect choice: an attractive, contemporary surface that can stand up to heavy traffic and day-to-day use.

Our goal is to enrich the lives of the people who live, work and play in those spaces by understanding what really matters, beyond aesthetics alone.
